History: Town first settled in 1848 and building built before 1852. Neighborhood mines yielded \$90,000,000 in gold. Tall-two-story building to rear was the Odd Fellows and Masonic Hall. Became Wells, Fargo Express Company in 1855.

Description: Exterior bearing walls of rough stone masonry, plastered and scored to simulate finished ashler bond. Gable end of vertical boarding above eaves line and two iron shuttered doors. Iron shuttered doors and windows at side street front, also.
